Are you amazed by the world around you? Do you love to make and explore? Can you nurture, adapt and use your initiative to encourage learning? If so, our small, family orientated school needs you to support some of our children in KS2 to continue their journey through our school. The role will involve working 1 to 1, in groups and with the whole class to enable children with special educational needs to access the curriculum, learn about themselves, become independent learners and be part of the class learning.

Experience and qualifications are essential.

Please state on your application if you have a preference for a full or part time position and your preferred age range, if you have one.

We would like you to:

- Have experience working as a teaching assistant with primary children.
- Be passionate about inclusion and meeting children's individual needs.
- Be positive, proactive, and always solution focused.
- Have high expectations of yourself, keeping all children at the heart of your practice.
- Be a team player with a good sense of humour.
- Be willing to 'go the extra mile' for our pupils.

In return we can offer:

- The opportunity to be part of a friendly, hardworking, and dedicated team.
- Lively and enthusiastic children who thrive within a supportive environment.
- A wonderful school environment with extensive grounds (swimming pool, summer months only) to enhance learning.
- Encouragement to develop new ideas and the opportunity to make a real difference. A commitment to you and your professional development.

These roles are initially on a fixed term contract until September 2025 due to school funding.
